Presidents Visit to Prince Albert.

I am wondering if the Secretary of the Saskatoon and Prince Albert Clubs have advised you of the results of President Arthur's visit? His visit along with his charming wife was a huge success both at Prince Albert and at Saskatoon.

I went to Saskatoon to welcome President Arthur and Christine to District No. 171, and stayed to luncheon with the Saskatoon Rotarians and their wives at which President Arthur spoke.

I came back to Prince Albert to be present when he attended and spoke to the Prince Albert Rotarians and their wives. At the Prince Albert meeting there were Rotarians and their wives present from Melville, 305 miles away, Swan River, 300 miles away, Lloydminster, 245 miles away, Meadow Lake 220 miles away and others from nearer points.

All Rotarians were thrilled by the addresses given by President Arthur, they were inspiring and instructive. Next day I drove President Arthur and Christine to Saskatoon to catch the plane for Edmonton and Calgary. Two programs enclosed.
