Dear President. Arthur:

The information you asked me to send you is as follows:- We had Rotarians at your Prince Albert meeting from the following points.

Melville. 305 miles from P.A.	✓ Swan River 300 miles
Meadow Lake 225 miles " 2	✓ Lloydminster 245 "
North Battleford 145 miles	✓ Melfort. 100 "
Nipawin 100 miles.	✓ Saskatoon 113

Rotarians from these points all came by car. The President of the Meadow Lake Club, Ambrose Stack along with three others, due to bad roads never did arrive, though they set out to come.

It was so nice to have you and your charming wife with us, we enjoyed your visit so much. My wife Jean and I especially enjoyed your company on the drive back to Saskatoon.

Kindest regards,
Sincerely

Dick Mayson
