Dear Secretary Philip:

Thank you for your telegram of August 14th, reference visit to Nanaimo of President Arthur Lagueux and Mrs. Lagueux.

Arrangements have been made for a banquet in the Plaza Hotel, Nanaimo, at 7:00 p.m. on Sept. 13th. in honour of President Arthur.

Letters have gone forward to neighbouring Island Clubs, namely Duncan, Chemainus, Qualicum Beach, Alberni District, Courtenay and Campbell River. In the case of Chemainus and Duncan, I understand Victoria is also extending an invitation to attend their luncheon meeting the same day. However, those not able to attend Victoria, are being asked to come to Nanaimo. Rotary Annes are being invited also. We hope to have 300 present on this happy occasion.

I trust newspaper material and matrix are already on the way as requested my telegram August 15th. I feel this visit will do much to further Rotary extension and we should publicize it as much as possible.

Could you give us any tips to help us arrange the programme for the dinner. You will appreciate that this is all new to us, as it is the first time an International President has ever visited our city.

Any assistance or advice will be gratefully received.

Rotarily and gratefully yours,

Rotarily and gratefully yours
W. Burroughs.
Secretary.
