Dear President Arthur,

On behalf of the officers and members of the newest club in Rotary, I would like to thank you for coming to Chatsworth and personally presenting us with our Charter.

We deem it an great honour and privilege to have had you with us, and the words of your address which were also broadcast and re-broadcast by radio so our friends outside Rotary might hear, will remain with us and be an inspiration to us to expand and further the good fellowship promoted and developed by Rotary.

We hope, sir, that we may again have the pleasure of meeting you, and you may be assured that a cordial welcome will ever await you at our meetings and in our homes.

Yours in Rotary,
Rotary Club of Chatsworth,

Secretary
J. E. Leonard.
