WHAT DO YOU THINK?

Last week was apparently Visitor's Day at our meeting, with the following Visiting Rotarians present: Chas. Clark, Ben Williams, Art Reischel, and Hal Slane from Southwest LA Club. Fred Mill, W. G. Blount, Don Wagen, and Otto Willett from Torrance Club. John Meier, Alan Katz, Wally Fraser, Doug Robertson and Sid Ploxom from Hawthorne Club. Dick Silverthorn and Ben Atkinson from Compton. And we will not forget Joe Beets from Crenshaw.

It seems as though again we were outnumbered by our visitors. Instead of listing those who were absent, we are listing those who attended: Bero, Brodie, Burke, Harris, Hellyer, Hill, Jewell, Johnson, Luthi, Neilson, Luthringer, Nelson, Souders, Tussing, Binford and Komers.

WHERE, OH WHERE, were the rest of our members? We know Masaru has left us for another fishing trip (Sho uldn't we change his classification to that of Fishing?), and we have three who are on Sick Leave of Absence, Keene, Matthews and Maddaford. What excuse have the others to bring forth?

ANNUAL ZONE PICNIC

Gardena Rotary is to sponsor the 1951 Annual Zone 3 Rotary Picnic. It will be held at Alondra Park during May. Carl Nelson is working out the details and has suggested we cancel one of our meetings to make personal visits to other Clubs in behalf of the Picnic. Discussion and plans are to be held during the Stag Party this coming Friday Night at the home of AL LUTHI. Bring all your ideas, and help us to make this an outstanding event.

AN UNUSUAL ANNUAL GATHERING

TOM KOMERS, AL LUTHI, CARL G. NELSON and President AL HARRIS represented Gardena Rotary Club at the Annual Dinner Meeting for Rotary President Arthur Lagueur, last Tuesday evening at the Biltmore Ballroom.

The Ballroom was very crowded, with about 650 persons attending to hear the President talk about Rotary. The dinner was excellent, and we were ably entertained by the Hazel Quinn Melodians, vocal and string ensemble which has been receiving excellent reports wherever they appear.

President Lagueur spoke about the need for right thinking on the part of all Rotarians, thinking along the paths of Service.

Rotary Service, can be construed to encompass any types of service which we can give to help our fellowman, our associates, our community, and also our international relations.

The President feels that in all of Rotary the Second Object is of most importance. We can add by saying that every Rotarian is a member only on the basis of his vocation, therefore it is truly the most important one for all of us.

Events such as this come but once a year, and they are interesting to all who attend them. We would have liked to have had more Gardenans present, but the tariff was a little high for some of us this year. Those who did attend feel it was worth the price, so put it down in your book to attend the next visit of the International President early in 1952. You will enjoy it.
