Mrs. Arthur Lagueux Spends Pleasant Weekend in Winnipeg

MRS. Arthur Lagueux, Quebec City, left for home Sunday by plane with her husband, president of Rotary International, after a week-end in Winnipeg as guests of the Winnipeg Rotary club.

Saturday afternoon Mr. and Mrs.

Lagueux were entertained informally at tea at Government House by Mrs. R. F. McWilliams. Other guests included John Tackaberry, president of the Winnipeg club, and Mrs. Tackaberry; W. R. Macarthur, Winnipeg, Canadian director on the International board; Richmond Mayson, governor of 171 district, and Mrs. Mayson, Prince Albert; Erwin A. Seifert, governor of 175 district, Marshall, Minn.; Frank Vertin, governor of the 173, Wahpeton, N.D.; Edward F. Flynn, governor of the 174, St. Paul.

Saturday evening Mrs. Lagueux was guest of honor when Rotary women entertained at dinner at the Royal Alexandra hotel. She was presented with a china figurine, "Daffy Down Dilly," her first piece, which she turned over and over in admiration. Told that her husband had just been given a desk buffalo, in the dinner down stairs, she replied, "I'll protect her from the buffalo, do not fear!"

She is the mother of three children: "Helen and Pauline are married, Simon is taking science and commerce at the university. This is the dress I had for Pauline's wedding. It was made by a French woman in Quebec." It was turquoise tulle with matching sequins embroidered between the tiny loops of natural colored straw. She wore

a close fitting necklet composed of stones of many pastel colors, "that I got in Paris," she said happily.

She was born in Quebec, near the asbestos mines, "where 85 percent of the world's supply comes from." For seven years she was at a provincial convent of the Sisters of the Holy Names. For two years she was in the city with the Ursulines.

Mrs. Fred O'Donnell took her to church Sunday morning to St. Ignace and home for lunch.

Mr. and Mrs. Lagueux left on the 4 p.m. plane Sunday. "It will be nice to be home after three weeks away. This trip we went as far as California and Mexico. We came to Winnipeg from Chicago," she said.

"I saw you in Detroit," Mrs. E. A. Revell, Fargo, told her after the dinner.
