

There were 530 present at the meeting of March 6th - 77 visiting Rotarians representing fifteen different Clubs; 140 Guests of members; 32 Paraplegics who were working on the Easter Seal operation; 10 members of press and radio; 17 head table guests and 254 of our own members. I am enclosing a copy of our head table list for your information.

It was a grand meeting, and we had a wonderful opportunity of getting to know President Arthur as a man - and they don't come any finer.

Sincerely,

H. Herbert Hewetson
Secretary.
