Bill Schwarz and Joe Tangney were among the 504 who attended the regular luncheon meeting of the Toronto Club last Friday when President Arthur Legueux was guest of honour. To quote Tom Rogers "Arthur's address, delivered in clear, well modulated tones and in a genial and impressive manner, dealt with the essential things in Rotary - friendship and service. Rotary had grown because of the devotion of individuals to a common ideal and its influence was to be measured in terms of their service rather than by the phenomenal growth and extension of the movement. Rotary represented a vital, humane force for the betterment of mankind----". President Arthur was presented with a silver rose bowl by the Toronto Club and, at a civic reception with gold cuff links embossed with the City crest.

We are glad to hear that Bob Mitchell is making good progress. For the next week he will not be able to receive visitors. At Monday's meeting we heard several remarks of appreciation of the valuable assistance Bob has given us with our Swimming Pool. We all hope for his speedy recovery. You too, Jack.

Keep in mind the Jack Lightbody Lot. Have you any prospects?

March 26th. is the date of our Annual Meeting.

KINSMEN are sponsoring a good stage play, March 27th., 8:30 p.m.
