Dear Arthur:

You are doubtless back home by now, enjoying a much-needed rest, before your next journey begins.

It is my sincere hope that you and Christine enjoyed your short stay in South Florida as much as we enjoyed having you. I only wish you could have had the opportunity to do just a little more sight-seeing. There were so many beautiful sights.

We are grateful too, that the weather man was so kind to us during the three days. George Worster will be interested to know that we had 70° the entire time.

The 750 Rotarians and Rotaryanns who saw and heard you that day on Miami Beach will never forget your inspiring message. They were all appreciative of the fact that Christine came with you. Her presence meant so much to all of us and especially to Carolyn.

You will find enclosed a few clippings for your scrap-book. I honestly believe that the press and radio down here were most cooperative, and we do appreciate it so very much.

When, and if you do get the time, won't you let me hear from you. Your letters are always welcome.

Please extend our greetings to your two friends from Quebec who were here at the time of your visit.

Carolyn joins in sending our love to you and Christine.

Sincerely,

Cleve
